Beverages are priced at current pricing on event date/time. An “**Open**” (tab run and paid for on host check) or “**Cash**” (each guest pays for own drinks) **Bar** ...or somewhere in between, may be arranged (i.e., use of tickets for 1, 2 or 3 drinks, paid for by host, then after are “cash bar per guest”).

Our suggestion when planning your time is to schedule your event for a start time, and then depending on how much “cocktail time” you wish to have, your 2 hour food time to begin... a minimum ½ hr. to 1 hour after your actual start time.
